---

Dear Parents

We wish to inform you of the changes happening within the Morisset Junior Golf Program over the next few weeks. As of Term 4 the Head Professional David Stretton and the Pro Shop Staff will be taking over the organisation and running of Junior clinics. This will result in a more detailed structure and implementation of further competitions and development for juniors.

The new program will be called DGS Golf Schools – Play Golf the fun way. Everyone at Morisset Country Club believes the future of any club is our juniors and this is the main reason we are making these changes for the future. We all know our local community is growing at an alarming rate and these changes are essential if we want golf to grow along with our other sports. Golf is a game you can play for life and the social skills learnt are invaluable.

The program will run for the duration of each school term and payment can be paid up front at a cost of \$60 or weekly for \$8.00 each week. For those children who attend each week during the term will receive a free 15-minute lesson with the Head Professional, David Stretton and for those who pre pay will also receive a DGS Golf Schools cap. Along with Tuesday golf I hope to implement School holiday clinics and weekend golf competitions for our kids. I will expand on these new ventures as we go but rest assured all our parents and juniors will be well informed.

DGS Golf Schools – Play Golf the fun way is all about our juniors. We want you to feel welcome and see your child or children enjoying themselves in a friendly and relaxed environment. We want everyone to have fun and learn the basics of this great game at one of the best courses in the Central Coast and Newcastle regions. It all kicks off on Tuesday 21<sup>st</sup> October at 4pm. Look forward to catching up with you then. Any questions please give me a call on 49732455 or 0414634221.

Yours truly,

David P Stretton  
Head Professional
